10:25 PM **Caleb**: Are you ready to engage me in a professional conversation again?
me: sorry, chat fucked up
anyway

10:26 PM **Caleb**: Right.
Will do.
So, my old co-worker from the *News* sent me a message via Facebook the other day.
Seems they have a new photo director who's in a way to shake things up.
me: lolbama
10:27 PM **Caleb**: There's a possibility that they might fire my old boss.
me: MOTHERFUCK
Caleb: So the gal encouraged me to write a little how-do-ya-do note to put my foot back in the door.
me: I just clicked on a longer version of that clip and it was fucking Young Turks faggot
over at Daily News?
Caleb: Yeah.
me: what gal?
10:28 PM **Caleb**: The second gal on the video desk.
There are two full-timers.
One senior, one junior.
10:29 PM It's meager.
It's slim.
But it's something.
10:30 PM **me**: very good sir
